» YBR-5001 Series Vacuum Hose

◆ Used in medicine, chemicals, machinery, electronics, aviation and other fields. Apply to the vacuum piping system.

◆ downhand Welding flange on both ends

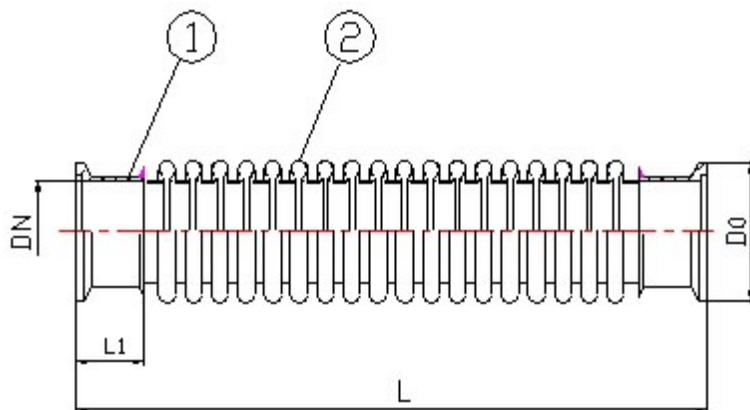

◆ Production length: 100mm—3000mm

◆ **YBR-5001 Performance parameters table:**

No.	Parts	Materials
1	Flange	SUS304/316/SS400
2	Connection tube	SUS304/316/SS400
3	Bellows	SUS304/316L/321
